

pinnacle. Studio™ version 12

Your life in movies. Simplified

Key Features

- **It's all in the Timeline.**
Use photos, music, and video footage from your camcorder or VCR tapes to create home movies. Pinnacle Studio accepts the most popular video formats from camcorders and digital cameras. You can even use SmartMovie - choose your video clips, theme and music, and it does all the work for you.
- **Give it some style** - Select from an impressive collection of titles, transitions, filters and effects that you can preview. And if you outgrow those provided Pinnacle offers hundreds of effects you can add at any time.
- **Scorefitter® music generator** - Music adds emotion to your story. Automatically generate a rich soundtrack to match the length of your movie; now with 40+ source tracks that feature more choice, higher fidelity and increased accuracy.
- **Bring still photos to life** - Animate your photos with close-ups or pan-and-zoom to create engaging video slideshows. Pinnacle Studio includes tools for removing red-eye, rotating and cropping images.
- **Keep your memories safe** - Archive your video memories with Pinnacle Instant DVD Recorder. Transfer directly from tape to DVD for safe-keeping in a just few mouse-clicks.
- **NEW! Web publishing simplified** - What fun is capturing your memories if you don't share them? In just One Click share your movies with the world on popular web sites like YouTube and Yahoo! Video.
- **Clean up and rejuvenate** - Improve audio tracks, clean up video, enhance color, remove noise, and fix poor lighting to restore old, damaged footage - automatically.
- **NEW! Enjoy your movies on the go** - Enjoy your movies on your Sony® PSP™, Apple® iPod®, DivX® certified Players, and even 3GP mobile phones. Save

your movie's soundtrack as an MP3. And it's simple to export your production to Flash video as well.

- **Built-in Disc Burning** - Easily create DVDs with motion menus and custom navigation for playback on DVD players. And with integrated CD and DVD authoring you can preview your work in progress with full on screen DVD controls.
- **Windows Vista™ Certified** - Fine-tuned for smooth integration with Windows Vista.
- **Scalable user interface** - Keeps tools at your fingertips. Adjustable windows are perfect for widescreen monitors.
